Following the discovery of remains thought to be those of Danny McIlhorne, the SDLP will brief the media in the Great Hall, Stormont at 11:30AM today (11th November).

Taking part will be Alex Attwood MLA, Dolores Kelly MLA and Dominic Bradley MLA .

Alex Attwood said: “This latest find only confirms that serious questions still continue about the conduct of the IRA in this case of abduction and death and in all the cases of the disappeared. These doubts and questions must be answered in the only way possible – that all information is handed over and that those who the IRA know are withholding information are also handed over to the authorities once and for all.”
