Republicans have a cheek demanding Truth, says Elliott

[E-mail to a friend](#) *August 14th, 2007 Tom Elliott MLA*

UUP MLA for Fermanagh and South Tyrone Tom Elliott today commented on the Republican 'Truth' March in Belfast.

In a statement Mr Elliott said,

“Republicans have a blatant cheek to the asking for truth when they have consistently lied to the people of both Northern Ireland and the Republic of Ireland. For the past 4 decades.

If Republicans really want the truth to be told than a good starting point is to start with themselves. Let them tell the public the truth about Kingsmills, La Mon House, Enniskillen , Narrow Water.

Let us hear Gerry Adams and Martin McGuinness spell out their responsibilities towards the families of the disappeared for whom the truth has been in very short supply.”
